Howard Proctor Loses Life in Cedar Creek.

The city was startled and shocked yesterday afternoon at the intelligence that Howard Proctor had been drowned in Cedar Creek south of the Vandalia depot. It seems that the boy, who was the son of Thomas Proctor, the colored barber at the south end, and wife, had been with Chas. Ice, employed at the Wyatt & Baker coal and wood yards, all afternoon while the latter was hauling wood. About five o'clock Mr. Ice drove into Cedar Creek, about fifty feet east of the foot bridge leading to the Woodlawn cemetery to wash and cool the team and the boy went with him in the wagon. They have been in the habit of doing this for some time, but the recent rains seem to have washed a deep hole at this point and the high water raised the wagon box from the wagon and it floated off. They both clung to the box, which was in shape of a half circle, until it began to tip, when Mr. Ice attempted to save the boy and had him nearly to the shore, when he became exhausted and tried to shove him to the bank, thinking he would be able to reach safety, but the bank at this point runs straight down and the boy sank to rise no more. Mr. Ice is partially crippled and this handicapped him in a measure. The news of the accident was phoned to town and the ball game being just out, a number of people soon collected at the spot. John Somerlott, one of the ball players, immediately began diving for the body, and after three attempts succeeded in locating and bringing the body to shore, after it had been in the water about forty-five minutes. There can be no blame attached to anyone in connection with the sad affair, as it was wholly unavoidable. Mr. Ice boards with the Proctor family and being a favorite with the boys they have been in the habit of riding with him on the wagon, and there was no thought of danger, as they had been with him repeatedly, when he drove into the creek to wash the team.

Mr. and Mrs. Proctor are quiet, good natured people, and have the respect and sympathy of all. Little Howard was well known in Auburn, and being a bright little chap was a great favorite with everyone. The funeral will be held at the house tomorrow at 10 a. m. Interment in Woodlawn cemetery, just a little way from the scene where he met his death in so tragic a manner. G. S. McCord will have charge of the funeral.

The Twentieth Century Limited Jumps an Open Switch at Mentor, Ohio.

Mentor, Ohio, June 21.—Running at the rate of fifty or sixty miles an hour the Twentieth Century Limited on the Lake Shore railroad dashed into an open switch at the passenger station here shortly before 10 o'clock tonight. Four or five persons were killed and twelve or fifteen badly injured. The combination baggage and smoking car and the coach behind it caught fire and were destroyed.

The train was east bound, having left Cleveland about 9 o'clock and as it does not stop here, it was running at great speed. The engineer did not notice the open switch until the train struck it. The engine left the rails and ploughed into the ground, tearing up the track for yards. The two coaches following it jammed into it with great force and were crushed, the fire from the engine setting them ablaze. Fortunately the occupants of these two coaches were rescued before the fire reached them.

Among the killed is the engineer, the other dead being passengers who were in the smoking car. The fireman was so badly hurt that he will die, and among the injured is Mr. Wellman, of Cleveland, the Attorney Bennett, of New York.

The Lake Shore officials at once summoned all the doctors within reach, a number coming from Cleveland. The dead and injured were taken care of and sent on a special train to Cleveland, where they will be placed in hospitals.

The scenes following the accident were pitiful. The moans of the dying mingled with the screams of the women on the train. Those in the rear coaches were not injured, and they set about at once to rescue those pinioned in the burning cars. Fire spread with great rapidity and it was with much difficulty that the passengers in the two coaches behind the engine were pulled from the debris.

The officials have not yet determined who was to blame for the accident, but it is believed the switch was left open by a switch crew whose train had occupied the siding a short time before. It is also believed by some that the switch had been tampered with.

Cleveland, O., June 22.—Was the Lake Shore Twentieth Century Limited train, wrecked at Mentor, O., last night, causing so many deaths, going so fast that it jumped the track of its own momentum? This question is asked today by official investigators.

The statement of the railroad officials that the switch was open is not thoroughly explained.

The engineer, according to the fireman, jumped from the engine. Did he see the switch light turned wrong or did he feel the engine start to leave the track? The investigators seek an explanation of this question.

The station agent at Mentor declares that the signal switch showed white for the flyer. Yet General Manager Marshall, of the Lake Shore, said this morning that he had found indisputable evidence that the switch had been thrown against the train and was locked open.

It is impossible for a switch to be open and at the same time show a white signal light unless the switch mechanism has been tampered with, admitted Marshall, but he said there was nothing to show that the switch mechanism had been tampered with in that way.

Fireman Gorham told Marshall that the signal light had shown white.

Tyler, the engineer, when he reached Mentor, says Gorham, "told me, 'It's O. K. The signal's right.' The light showed white and we both saw it white. It was just after that the engine struck the switch and left the tracks."

"The agent at Mentor," Marshall said, "corroborated Gorham in regard to the signal being set white. Yet the switch was open. I can't account for the switch being one way and the light another. There doesn't seem to be any way to account for it. The switch showed in perfect condition after the accident. There certainly was no defect in either switch or rails. An investigation will be begun immediately and carried far enough to satisfy us as to exactly what happened. There had no one been noticed in the neighborhood during the day or last evening who might have been suspected of being the one who tampered with the switch. The thing is a mystery."

Marshall would not say whether or not the Lake Shore would withdraw the eighteen-hour train because of the wreck. Marshall said the wreck would have occurred as well to any other train, and would have been a bad one,

She was admitted to the hospital
July 21. Mrs. Bailey made her home

Robinson, proprietor of the South
End cafe.

Mrs. Bailey was born in Yatesville,

Auburn continuously since 1935.
Prior to that time, she resided in this
city for short periods after her first
visit here when she was 15.

World war I, died in 1935. She is
survived by several consins and an
aunt. She was affiliated with the
Baptist church.

TRIAL OF "TRIANGLE LOVE" SLAYER IN CHICAGO DELAYED

Chicago, July 30.—The trial of
Donald M. Murray, 36, of Wheaton,
for the murder May 27 of Maj. John
Fletcher, 41, Canadian army officer
whom he surprised in a hotel tryst
with his wife, Doris, 36, has been
postponed to Aug. 5 at the request of
the state's attorney's office. Several
state witnesses are reported out of
the city.

STATE HEALTH BOARD DENIES POLIO EPIDEMIC IN INDIANA

Indianapolis, July 30.—Indiana
health authorities today said there
was no polio epidemic in the state,
although the 35 reported cases were
"above average" in number.

The state board of health said a
survey completed this morning showed
nine new cases reported during
the week ending July 27. Five of
them were in Indianapolis and Mar-
ion county. Two were in Clark coun-
ty and the other in Lake county.

Health board physicians said
there might be a few more unreport-
ed cases throughout the state.

Dr. J. W. Jackson, director of
the communicable disease control
division of the board, said he was
"not alarmed" by the fact that In-
diana has had 28 scattered polio
cases so far this month, as compared
with a dozen in July last year.

Meanwhile, at Columbus, all
swimming pools, theaters and parks
were closed to children under 18
years of age as a "precautionary
move." Three polio cases were re-
ported in the city.

WOMAN BELIEVES BODY FOUND AT LAKE WAS HER SISTER

Hartford, Mich., July 30.—Mrs.
Mabel Lee today asked permission to
examine the body of a woman found
dead on the shore of Lake Michigan
near New Buffalo, Mich., July 21, be-
lieving it might be that of a sister she
has not seen for six years.

Mrs. Lee said she believed a pic-
ture printed in a South Bend, Ind.,
newspaper was that of her sister,
Mrs. Martha Ullam.

State Policeman Clarence Bourke
said he doubted the dead woman was
Mrs. Lee's sister because descriptions
of the two did not tally.

Peaches were introduced into

CLAIMS HE WARNED WIFE OF "BOOBY TRAP" IN BASEMENT

Portland, Ore., July 30.—A mo-
dern Pandora's box tragedy was re-
lated today with the confession
James W. Bowden that he set a
electrically-wired suitcase to get rid
of a rival for his wife's affection
and killed her instead.

Bowden, who was charged with
murder, admitted rigging the sui-
case to blow up when opened, with
the intention of sending it to the
man he suspected to "run him
around" with his wife, Fern.

Bowden, 47, a former Aleutia
defense worker, said he had wired
the bag but couldn't think of a way
to get it to the "other man."

He "let it lay" for a few days he
said, then his wife filed suit for di-
vorce and "there was no motive a-
gain for that, and I didn't know what I
do with it."

Bowden left home two weeks ago
after his wife filed suit for divorce
on charges of cruelty, cautioning
his wife and their two children
Shirley, 13 and Doris, 17, to "let
that bag alone."

Bowden told police he had racked
his brain for some way of getting
the trunk out of the house and dis-
posing of it.

"I was afraid of it, and it just
sat there," he said.

Bowden sketched a diagram for
police, showing how he made the
"booby trap" from six sticks of dy-
namite, detonators and a contractor
in the basement of their home.

"It would go off when the lid
was lifted, but it was padlocked with
a combination lock," he explained.

In the box, besides the dynamite,
was a diary chronicling Mrs. Bow-
den's alleged wrong-doings.

Mrs. Bowden evidently knew the
combination of the lock, however,
and when her daughters were away,
went into the basement to see what
the bag contained.

The explosion blew Mrs. Bowden's
body to bits, shattered the furnace,
blew out the windows, dislodged
radiators and wrecked household ef-
fects.

TOM PROCTOR FOUND DEAD IN HIS BED

Colored Barber, a Resident of Auburn for Many Years, is Stricken with Heart Attack at Age of 62 Years

One of Auburn's well-known citizens, Thomas Proctor, colored, died suddenly Wednesday morning at his residence, 1345 South Main street. His step-daughter, Mrs. Almida Robinson, who went to his room about 1:30 a. m. after hearing him call, found him dead in his bed. Coroner John Clark said death was caused by myocarditis and arterial sclerosis.

Tom, as Mr. Proctor was known by many here, was born Dec. 10, 1858, and came to Auburn from Pleasant Bend, O., as a young man with his wife, Lucy, who died in 1927, and their family. That was in 1893, the year of the World fair. Renting a room beside the old South End saloon on South Main street, Mr. Proctor went into the barbering trade. Two months later he moved to a small shop at the corner of South Main street and Ensley avenue, by the Niskey-Gandy lumber yards. Mr. Proctor stayed at that shop until a year ago, when ill health forced him into retirement. His shop was a favorite gathering place, and Tom is credited with spinning many a yarn for his friends there.

Mr. Proctor is believed to be the last member of the Old Fife and Drum Corps organized in Auburn years ago. "Old timers" recall that the group used to meet frequently on the corner of South Main street and Ensley avenue to render concerts. The corps was often called the "headache band."

Surviving are Mrs. Almida Robinson, a stepdaughter, and Mrs. Estella Bailey, a niece both of 1345 South Main street.

Funeral services will be held at 2 p. m. Friday at the Dilgard funeral home. Rev. A. L. Klopfenstein of the Auburn First Church of God, which Mr. Proctor attended, will officiate, and burial will be in Woodlawn cemetery.

SILVER SHIRT AIDE GIVEN SUSPENDED SENTENCES TODAY

Washington, Feb. 12.—David A. Mayne, former aide of William Dudley Pelley, Silver Shirt legion leader, today received three suspended sentences of one to three years each and then was placed on probation by Justice James M. Proctor in U. S. district court in connection with a "forged letter" plot to discredit the Dies committee.

He had pleaded guilty to three counts in an indictment, two for forging and uttering, and the third for false pretense. Maximum penalties for all three could have been three to 26 years.

Mayne forged Pelley's name to two letters which were designed to show falsely an agreement between Rep. Martin Dies, D. Tex., and Pelley whereby the Dies committee would not investigate Pelley's Silver Shirts.

INCREASE IN POSTAL FUNDS EXPECTED DURING THIS YEAR

Washington, Feb. 12.—Presenting to the house today the appropriations committee's supply bill for the postoffice department, Representative Louis Ludlow of Indianapolis, chairman of the subcommittee that formulated the measure, predicted an all-time record of postal receipts next fiscal year.

"Postal business is on the upsurge in a marked degree," he said. "Each of the last four years has shown an increase in receipts. Estimates for this fiscal year to end June 30 place total receipts at \$785,000,000 and at \$795,000,000 for next fiscal year. This would be nearly \$210,000,000 more than total receipts a decade ago."

Ludlow said troop movements, troop concentrations and other national defense activities are imposing additional burdens on the postoffice department and that, therefore, the bill allows increases in personnel.

"It is important to the morale of the young men in camps and to the satisfaction of their folks back home that they get their mail promptly," he said.

The bill carries \$842,064,311 for the year to begin July 1. This amount is \$2,948,276 less than the budget recommended and \$20,574,134 more than appropriations for this fiscal year.

BILL WOULD GIVE STRIKERS "JOBLESS" COMPENSATION

Indianapolis, Feb. 12.—Rep. H. H. Evans, R., New Castle, today introduced in the house a bill to let down bars against strikers seeking unemployment compensation.

The measure would provide that five weeks after the end of the statutory waiting period any person out of a job, for whatever cause, would be eligible to receive unemployment benefits.

Another house bill introduced in today's session would require all operators of concessions on state-owned property to pay gross income tax.

Sen. William E. Jenner, R., Shoals, introduced a bill in the senate to legalize tax ferrets which have long been banned from Indiana. Under the bill the private ferrets would receive one-third of the total amount of taxes collected.

Other bills tossed into the senate hopper would:

Provide that no trucks carrying petroleum may operate on state highways with a gross weight of more than 24,000 pounds.

SENATE COMMITTEE FAVORS INCREASE IN NATIONAL DEBT

Washington, Feb. 12.—A senate finance subcommittee today unanimously approved a house-passed bill to raise the national debt limit from \$49,000,000,000 to \$65,000,000,000 to permit additional treasury borrowing to finance the defense program.

The bill which would also permit the treasury to issue wholly taxable securities, will be considered by the full committee tomorrow morning. The subcommittee made two minor changes in the measure which would necessitate house concurrence before the bill is finally passed.

CASHIER TO RETURN \$24,919 HE STOLE FROM EMPLOYERS

Chicago, Feb. 12.—Twenty-one years ago a thin, serious youth applied for work at the S. Bloom, Inc., tobacco and liquor jobbing firm in Chicago.

He was diligent and worked hard and became the cashier.

Today the man, Louis A. Kronenberg, now 38, was ready to present his employers with \$24,919.17 in cash, government bonds, mortgages and insurance annuities.

And his employers aren't happy about it at all.

For Assistant State's Attorney Julius Sherwin said that Kronenberg confessed embezzling the money during the last eight years—since he was promoted to cashier.

Oddly enough, no wine, women or gambling is involved in the case. Kronenberg, who lived frugally with his wife and 2-year-old son, told Sherwin:

"I just wanted security, so I borrowed the money. I was trying to make a little profit on it and put something by for my old age."

Kronenberg said he no longer had the money but by bit, tearing up sales slips so there would be no record. The disappearance of a check which his employers knew he had received stirred their suspicions. They ordered a secret audit. As a result he was arrested.

His fellow employees knew Kronenberg as a weary little man of the typical bookkeeper type who frequently borrowed money from them, giving the impression he was having hard sledding.

They were startled to learn he had engaged in cash stock speculations with his employers' capital, netting a profit of \$200 on them and generally breaking even.

WOMAN JUDGE TO OFFER NO APOLOGY FOR BURNING FLAG

Los Angeles, Feb. 12.—Municipal Judge Ida May Adams says she has no apology to make for burning a Nazi flag.

Secretary of State Cordell Hull requested Governor Culbert L. Olson yesterday to investigate the incident.

"I shall be glad to give a complete report," said Judge Adams. "I have received 500 letters from all over the country and Canada. All but four complimented the act."

"I like the German people, but I have no respect for Hitler and the Nazi flag. It is not the flag of the German people, and I don't respect the Nazi brand of vandalism."

"The flag had caused one crime and I did not want it to cause another."

The flag burning came at the preliminary hearing January 8, when San Pedro Rodriguez, a seaman was accused of stabbing Mrs. Eva Sandstrom because she refused to remove a Nazi flag on display in her home.

Commenting that "it is a very bad thing for the community to have the flag of a foreign unfriendly nation exhibited by any American citizen," Judge Adams touched a match to the small flag and dropped it into a waste basket.

She bound Rodriguez over for superior court trial on an assault

URGE LABOR TO TAKE MORE INTEREST IN U.S. AFFAIRS

Chicago, Dec. 9.—Three top labor leaders agreed today that labor must show increasing interest in national and international affairs.

Presidents Philip Murray of the CIO, William Green of the AFL and Albert Hayes of the Independent International Machinists' union spoke last night at a dinner sponsored by the Samuel Gompers' Memorial fund, which supplies money to educational institutions for scholarships and other purposes.

Green said labor must "redouble its efforts to carry the message of free trade unionism to the far corners of the world." Murray said the labor movement must support higher education "to safeguard and maintain our democratic rights." Hayes called for greater interest in "diplomatic and political world controversies."

Murray, speaking at the Illinois Industrial union council (CIO) convention asked President Truman to form an advisory committee of labor and management leaders "during this period of international crisis."

Truman should draft leaders who refused to serve, he said.

Visitors to Special Train are Given Chance to Shoot Down B-25 Bomber with Ugly-Looking Guns

BY HARMAN W. NICHOLS
United Press Staff Correspondent

Washington, Dec. 9. Science, it's wonderful!

In a single hour I made it snow, whipped up a 15-million-volt stroke of lightning and shot down a B-25 airplane.

All without getting off a train.

The train at the time was on a siding. It's called the "more Power to America Special," and is being shown around the country by General Electric. Contained in 10 cars, which spread out to almost a quarter of a mile, are 2,000 electrical products.

Gawkers who toured the train had a lot of fun with the "snow-making" gimmick, which is based on research by Scientist Dr. Vincent J. Schaefer. The machine is designed to produce clouds over a model village in side a display case. Then it actually turns the clouds to snow by seeding it with dry ice.

The spectators on the train produced the lightning bolt merely by pulling a lever. The machine, a massive thing, was produced apparently just to show that men can make his own lightning if he feels a need for lightning.

Visitors Shoot at B-25

Ugly-looking guns were set up to aim at a miniature army B-25 bomber. The guest stood behind the gun and peppered away at the target. A light showed up if a direct hit was scored.

It wasn't too hard to do. The equipment was arranged to enable visitors to "sight" on the model and "track" it with the revolving turret as it moved along the display wall.

There were all sorts of other interesting gadgets.

A big display of a full size J-47 jet engine. It was cut on the bias so you could see the many parts. The engine is the same type as that which powers a number of air force planes, including the North American F-86.

A lot of the exhibits reflected this atomic era. For instance a set of mechanical hands.

These were developed by the company for handling dangerous radioactive materials at safe distance.

The scientist who demonstrated this one was an expert at his job. By hand controls he was able to assemble a nut and bolt with the mechanical fingers, which look like great iron claws.

To wind up his demonstration, the man wrote the names of visitors—

Well-loved 'Santa' Rolly Muhn dies

John Roland "Rolly" Muhn, 94, died at 7:30 Friday morning in the Betz Nursing Home, Auburn, following a lengthy illness.

Mr. Muhn was best known for playing "Santa Claus" to the Auburn and Fort Wayne communities for more than half a century. He was a retired contractor, and was responsible for many of the stucco homes and buildings in Auburn.

He was honored as one of 10 Grandparents of the Year on Sept. 9, 1984, by the National Council for the Observance of Grandparents Day.

The council said it selected Muhn for his 44 years of playing Santa Claus to the children of St. Vincent Villa orphanage in Fort Wayne, from 1926 until it closed in 1970.

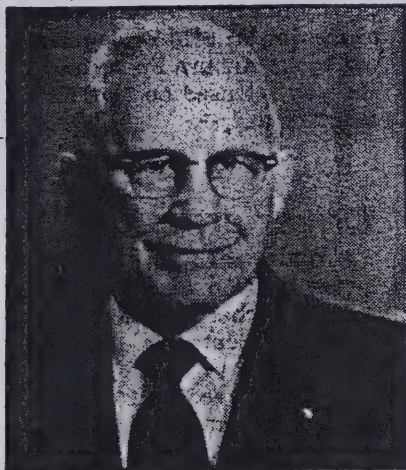

Every Christmas, Muhn and his friends donated money to buy gifts and treats for each orphan, according to wishes the children expressed in letters to Santa. Muhn would deliver the presents in his Santa Claus suit.

"Santa" Rolly also visited the elderly residents of the DeKalb County Home and Betz Nursing Home, before becoming a resident at Betz, himself, four years ago.

Muhn's generosity was inspired by an encounter he had as a teenager, with an orphan boy from St. Vincent Villa who cried because he got no Christmas presents.

Muhn and the boy vowed that when they got enough money, they would buy presents for the orphans at St. Vincent. His orphan friend died in World War I, but Muhn made good on his promise in 1926, starting a long and treasured tradition.

In a 1984 interview with The Evening Star, Muhn said, "I think every American boy should be a

Santa Claus for a while."

A lifetime resident of Auburn, he was born in the city on June 24, 1891 to John and Rosie Ann Ellen (Hensinger) Muhn.

He is survived by three sons, John, of Colorado; Roland, of Colorado Springs, Col.; and Perry, of Houston, Texas; two sisters, Mrs. Geneva Ford, Auburn, and Mrs. Naomi Bliss, Palm Beach, Fla.; eight grandchildren and nine great-grandchildren.

Mr. Muhn was preceded in death by three wives, Joy (Platner), Martha (Williams), and C. Ann (Dye). He was a member of the Auburn Masonic Lodge.

Friends may call at D.O. McComb and Sons Funeral Home, Auburn, from 2-5 and 7-9 Sunday. Services will be held at 10 Monday morning in the funeral home, with the Rev. Ralph Diehl of the Waterloo Calvary Chapel and Dr. Floyd Coleman co-officiating.

Preferred memorials are to the DeKalb County Cancer Society.

Walter McCann

HUDSON — Walter E. McCann, 71, of rural Hudson, died from an apparent heart attack at 7:06 p.m. Thursday in the Memorial Medical Center of Ludington, Mich.

He was born Feb. 14, 1920 in Terril, Iowa to Albert and Florence (Bailey) McCann. He moved to LaGrange County from DeKalb County in 1943.

Mr. McCann, a retired mechanic who had worked for Weiss Trucking Co. of Mongo, served in the U.S. Army during World War II and was a member of the American Legion Post 215, LaGrange. He was a volunteer for the Mongo Fire Department.

On Feb. 11, 1939, in Waterloo, he married Ruby L. Diehm. She survives.

Also surviving are one daughter, Alice D. Walker of Nancy, Ky.; three sons, Larry J. McCann of Sturgis, Mich., Walter L. (Butch) McCann of Howe, and Daniel J. McCann of Wolcottville; 12 grandchildren and seven great-grandchildren.

A graveside service will be conducted by American Legion Post 215 in the Brighton Cemetery of Mongo following the funeral service.

Friends may call from 2-5 and 7-9 p.m. Sunday at the funeral home.

Memorial donations may be made to the Mongo Fire Department or the Stroh Emergency Medical Service. 16 Feb 1991 E.S.

OBITUARY

Ruth Helen Maxwell, was the youngest daughter of Albert E. and Cora Maxwell, and was born in Toledo, O., May 17, 1911.

Possibly this little girl was dearer to her mother, because of the fact that in the spring of 1912 her father was killed, thus leaving the wife and two little girls alone.

Ruth was a sweet child, and was dearly loved by her friends. She was a member of the Somerset U. B.

Sunday school, and was present just one week before she went away. She has not been well for several months, but her death was not expected. All was done for her that mortal can do for humanity, but she left for that "Land Beyond the Blue" on Sunday evening, March 23, 1924. She was aged 12 years, 10 months and 6 days.

She leaves of her intimate family her mother, one sister, Reba, two grandfathers, and one grandmother,

and many others who were dear to her.

The funeral services were held at the home of Frank W. McEntarfer, an uncle of the mother, in Waterloo on Thursday afternoon, March 27, with interment in the Waterloo cemetery. Rev. C. M. Eberly had charge of the services.

The Rev. Ryan, of the Somerset U. B. church Toledo, had charge of the services at the home in Toledo before coming to Waterloo.

Order Determining Value of Estate and Amount of Tax, Etc.

(Section 10, Acts 1931)

IN THE PROBATE COURT,

Cause No. 5678

COUNTY OF De Kalb

STATE OF INDIANA.

In the Matter of the Estate of

At the February Term, 1953.

Almeda Robinson

The matter of determining the value of the property of said decedent and the tax imposed by the inheritance and transfer tax laws upon the transfer thereof coming on to be heard at this time, pursuant to notice given on the 7th day of December, 1951, to all persons interested, including the Indiana Department of State Revenue and County Treasurer;

And it appearing that the inventory and report of Hugh G. Sanders, Executor

(Fiduciaries or Beneficiaries)

and the report of Elmer O. Likens County Assessor, have heretofore been duly filed

(Appraiser)

herein, and that said deceased died on or about the day of December, 1950;

And having taken testimony and considered the inventory, appraisal, report and the whole record herein, and having heard all parties desiring a hearing, and being fully advised in the premises;

The Court finds and determines that the clear market value of the property of the said decedent, subject to and within the jurisdiction of the laws of this State, is as follows:

Value of Personal Property (Gross)	-	-	-	-	-	\$ 1,461.29
Value of Real Property (Gross)	-	-	-	-	-	\$ 3,500.00
Total Gross Value of Estate	-	-	-	-	-	\$ 4,961.29
Deductions (Debts, Claims, Expenses, etc.)	-	-	-	-	-	\$ 1,186.16
Total Net Value of Estate	-	-	-	-	-	\$ 3,775.13

Schedule B-3 and/or other Transfers "Outside of Estate" - - - \$

And the Court further finds and determines that the proportions and amounts of the property of the decedent transferred, the names and relationships of the persons beneficially entitled to receive the same, the rates and amounts of tax for which they are liable, are as follows:

NAME	Relation	Value of Interest	Exemption	Rate	Amount of Tax
William Edward Sims	None	3,775.13	100	7 1/2	264.32

Schedule filed; date Dec. 5, 1951. Amount of penalty at 50c per day. None

Total Tax \$ 264.32

WHEREFORE, IT IS ORDERED, That Hugh G. Sanders, Executor, or said persons

(Fiduciaries or Beneficiaries)

pay and deliver to the County Treasurer, as and for the tax imposed by the acts in relation to the taxable transfers of property, the proportions and amounts as above set forth.

Such tax shall be a lien upon the several items of personal property described in the schedule for determination and the appraiser's report, and the following real estate:

County	Twp., City or Town	Description, Addition, Etc.	Sec.	Twp.	Rge.	Acres	Lot	Blk.
De Kalb	Auburn	Lot number One (1) in Hoffman's Addition to the City of Auburn, except the Southeast part thereof,						

The Court further finds that because of litigation in this estate, because of the contest of a claim, the inheritance tax could not be determined prior to this date, and it is so ordered, and no interest or penalty should be charged to this executor.

It is further ordered that Elmer O. Likens, appraiser, be allowed and paid \$ 25.80 for his services and expenses in this matter.

Dated March 25th, 1953.

By the Court,

Judge J. Temple

NOTE--If paid within TWELVE months from death a discount of 5% is allowed. If NOT paid within EIGHTEEN months from death interest at the rate of 10% per annum shall be charged and collected, unless the delay be due to litigation or other unavoidable cause of delay, when the rate may be reduced to 6% per annum. (Discount and interest computed from date of death.) Receipts must be sent by County Treasurer to Indiana Tax Board to be counter-signed. Subd. 14, Sec. 3, Acts 1929.

4. Said decedent died the owner in fee simple of the following described real estate situate in De Kalb County, Indiana, to-wit:

All that part of Lot numbered one (1) in Spangler's Addition to the Town, Now City of Auburn, Indiana, lying and situate south of that portion of said lot number One (1) which was heretofore conveyed by Clement V. Wherefore, the undersigned, Executor of the estate of Almada Robinson,

County of De Kalb) SS:

In The De Kalb Circuit Court of Indiana.

In The Matter of the Estate of
William Edward Sims, Deceased,

Hugh G. Sanders, Administrator.

Final Account, Petition to settle and allow account.

Hugh G. Sanders, as Administrator of the estate of William Edward Sims, deceased, respectfully shows to the Court as follows:

1. Decedent herein William Edward Sims died intestate on the 24th. day of July, 1957, domiciled in De Kalb County, Indiana, and thereafter on the 31st. day of July, 1957, the undersigned was duly appointed administrator of said estate and letters of administration were thereupon granted to him. Due notice of the issuance of letters was given on the ____ day of August, 1957.

2. More than six months have elapsed since the date of the first published notice to the heirs and creditors herein. All claims have been paid in order of preference so far as the monies available would go. The decedent nor this administrator were the employers of labor within the meaning of that term as used in the Indiana Employment Security act. This estate was not subject to federal estate tax nor was there any gross income tax due herein. All assets of the estate have been administered and no reason exists why said estate should not be closed at this time.

3. Your administrator is chargeable as follows:

Amount received from sale of real estate after re-appraisement,	\$ 2,850.00
Received from junk personal items,	20.00
Total charges,	\$ 2,870.00

Against which amount he claims credit for the following amounts
by him paid out and expended, receipts for which are attached:

Atkinson & Sanders, Attorneys fees, and administrators fees,	300.00 ✓

Total ~~AMOUNT~~ Credits, &c

\$ 924.36.

That the above payments are all that are allowed and can be paid prior to the payment of the lien of the De Kalb County Department of Public Welfare and the Department of Public Welfare of State of Indiana, in the amount of \$ _____, and tha therefore there is a balance on hand for the payment of such lien in the amount of \$1,945.64, which amount should be paid in full satisfaction and release of said lien, and t is estate is therefore insolvent and must be settled as such.

4. That said decedent left real estate situate in Auburn, Indiana, described as follows:

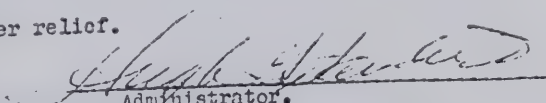

All that part of Lot number one (1) in Spangler's Addition to the Town, now the City of Auburn, lying and situate south of that portion of said lot 1, which was conveyed by Clement V. Brandon to Cornelius Platter by deed dated January 22, 1920, and recorded in Record of Deeds, De Kalb County, Indiana, Vol. 94 page 582, excepting all that portion of said lot owned or claimed by Vandalia Railroad and its successors, and excepting the following described tract, to-wit: Commencing 46.7 feet North of the intersection of the west line of Main Street and the North line of Ensley Avenue, thence west 140 feet to the center line of the old abandoned Auburn Fort Wayne Road, thence in a Northwesterly direction along the center line of said road 59 feet, thence east 118.5 feet to the intersection of the west line of Main Street, thence south along the west line of Main Street 55.3 feet to the place of beginning, all in said De Kalb County, Indiana.

In the Courtsoof administration, the above real estate was sold and conveyed to Von H. Tharp and Mabel Tharp, husband and wife, and said persons are now the owners of said real estate in fee simple.

That said dededent left surviving him as his sole and only heir at law one adult daughter, S. Valéantienne Farmer, who resides at 6947 Nor 1 Blvd, Chicago, Ill. and that there are no fands for distribution to her.

That this estate is insolvent, and must be settled as such, since the lien of the Welfare Department is more than the amount for payment of claims and expenses of said decedent's estate.

Wherefore the undersigned, ad administrator,
Submits this his final account,
Prays the Court that after due notice this account may be settled,
That the Court determine the heirship and that said estate is insolvent,
and finally prays for all proper relief.

Administrator.

Hugh G. Sanders, Administrator

This cause came on to be heard this 2nd day of April, 1960, upon the final account, petition to settle and allow account, to determine heirship and for authority to distribute the estate, filed by Hugh G. And it appearing to the Court that no objections were filed hereto and the Court being fully advised in the premises now finds:

2. The matters and things stated in said account and petition are true and that said administrator has accounted for all assets of this estate coming into his hands.

3. More than six months have elapsed since the date of the first published notice to the heirs and creditors herein; all claims filed against said estate have been paid so far as the funds on hand would allow, but that said estate is insolvent and must be settled as such; neither the decedent nor the administrator were the employers of labor withing the meaning of that term as used in the Indiana Employment Security Act; there is no inheritance tax due from any person, and said estate was not subject to Federal Estate Tax.

4. That S. Valencienne Farmer, is the daughter and sole and only heir at law of decedent, and that because said estate is insolvent, she will not receive any distribution of any property or funds herein. That all real estate belonging to said decedent has been sold and the proceeds used in partial payment of the debts and liabilities of the estate.

5. The Court further finds that after the payment of the expenses of administration costs of this estate and the taxes accrued on the real estate herein, the balance of the funds shall be paid and delivered to the Department of Public Welfare DeKalb County, Indiana, to pay the lien thereof, so far as it will go.

It is therefore considered adjudged and decreed by the Court as follows:

1. Said account and petition are in all things approved.

2. Said administrator is hereby ordered and directed to pay over and deliver to The Department of Public Welfare of DeKalb County, Indiana, the sum of \$1,945.64, being the entire balance on hand, in partial but final payment of the lien of said department, and that this estate shall be settled as an insolvent estate.

3. It is further ordered that as a result of the sale of real estate herein, Von H. Tharp and Nabel Tharp, husband and wife, are now the owners of the following described real estate situate in DeKalb County, Indiana, to-wit:

Gentlemen:

We represent Mrs. Mary Redman (colored) of 513 Walker Street; Bellefontaine, Ohio, who says that she is a cousin of Mrs. Allie Robinson, deceased, formerly of 1340 South Main Street; Auburn, Indiana, who died on December 15, 1950. Mrs. Robinson is said to have been colored and to have owned and operated the South End Hotel in Auburn. Mrs. Redman advises that the only heirs of Mrs. Robinson are cousins of which she is one; and that she spent some time up to a couple of years ago in Auburn caring for Mrs. Robinson. Would be pleased to know if an estate has been opened for Mrs. Robinson and if so, who the attorney is representing the fiduciary. Thank you.

Yours very truly,

Wayne M. Lawrence
